

Environmental policy

It is the policy of Precision UK Ltd to consistently improve and maintain environmental performance.

In order to consistently achieve its objectives (stated below), Precision UK Ltd is wholly committed to the operation of an environmental management system, which satisfies the requirements of I.S.O 14001:2015 and will continually monitor and develop the Environmental Management System in order to maintain and adhere to legal compliance.

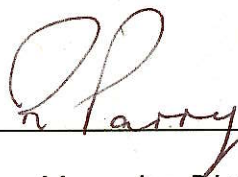

Precision UK Ltd is committed to continually improving and maintaining the effectiveness of the Environmental Management System. The system and policy is therefore regularly reviewed by the Managing Director to ensure the ongoing effectiveness and efficiency in meeting the company objectives and is regularly reviewed to ensure that our system and policy continue to meet the current expectations of our customers.

Policy Objectives:

- To continually improve environmental performance
- Aim to reduce pollution, reduce waste and minimise the consumption of resources.
- Ensure legal compliance
- Educate, train and motivate employees to carry out tasks in an environmentally responsible manner.

The Company is committed to preventing pollution and continual improvement of environmental performance. This Policy will be communicated to all staff, contractors, and suppliers, and be available for the public.
